Missing Child

New Braunfels, Texas – On Friday, February 4, 2011, at 8:38pm, officers with the New Braunfels Police Department responded to the 2600 block of Savannah Hill Circle for a missing 18 month old child. The parents of the child reported that he was last seen inside of their residence approximately 20 minutes prior to calling Police. Officers and Fire Department personnel searched the residence multiple times and conducted a grid search of the entire neighborhood. Homeowners at every residence along Savannah Hill Circle were also contacted in reference to the missing child, and the areas surrounding the residence were searched on foot and by air with the assistance of a Department of Public Safety helicopter. Calls to notify the public about the search were sent out to 2414 area residences using the Emergency Notification System. As a result of these calls dozens of people responded to the search area and assisted in looking for the missing child. Deputies with the Comal County and Guadalupe County Sheriff's Offices and the Department of Public Safety also assisted in the search. Attempts have also been made to utilize the Amber Alert System, as well as the Heidi Search Center in San Antonio.

At the time of this release the missing child in this case has not been located. Although officers will be continuing this search throughout the night and into the morning hours, we are requesting the public's assistance in finding this child.

The missing child's identifying information is as follows:
Joshua Davis, 18 months old, 2ft tall, 30lbs.(see attached photo), last seen wearing a blue and red long sleeve shirt and a grey long sleeve t-shirt, a beige and white onesy and beige jeans, and black and white socks. Anyone locating Joshua or knowing his whereabouts, please contact the New Braunfels Police Department immediately at (830)221-4100.
